

## **Dynamic Electrical company seeking Electrical Experts with a desire to grow!**

Walker Brothers Electrical are seeking dedicated and passionate qualified electricians with great initiative to join our rapidly growing company.

### **Who you are:**

- You are highly adaptable
- You have an eye for detail
- You are willing to listen and learn to be a leader
- You desire to carry out quality work every time with the highest of integrity

### **Essential Criteria:**

- Certificate III in Electrotechnology Electrician
- Clean Energy Council accreditation (or willingness to obtain)
- General Construction Induction Card (White Card)
- NSW Electrical Licence
- Drivers licence (Provisional as a minimum requirement)
- Experience in supervision of apprentices desirable
- Minimum 2 years experience as a qualified electrician
- High physical aptitude
- Positive attitude and willingness to learn and develop new skills and knowledge
- Strong verbal and written communication and interpersonal skills
- Experience using job management software advantageous
- Diligence in safe work practises
- Strong time-management skills
- Experience with solar installations, repair and maintenance preferred
- Full working in Australia rights

Walker Brothers Electrical is a locally family owned business that specialises in commercial and residential electrical installation, repairs & maintenance with our solar business being highly sought after.

With the growth of our company we need the support of mature and capable team members to help sustain the quality of workmanship and delivery of service that our clients have come to expect.

**[www.walkerbrotherselectrical.com.au](http://www.walkerbrotherselectrical.com.au)**  
**[info@walkerbrotherselectrical.com.au](mailto:info@walkerbrotherselectrical.com.au)**

**About the Role:**

The positions we are currently looking to fill are based in Newcastle, Gloucester and Taree. The positions are all permanent full-time with some overtime required on an as needs basis - but please note that overtime is not normal, we value our down time and aim for our employees to have the same!

Duties will include but are not limited to:

- Test for, locate and repair electrical and solar faults
- Installation of solar systems and electrical systems, equipment and appliances
- Preventative maintenance and testing
- Work both independently & as part of a team
- Adhere to all relevant policies & procedures

**Why work for Walker Brothers:**

We are a company that has a keen interest in its team members and want to provide good quality service to the people of the Hunter and Mid North Coast. We value strong team morale and seek to invest in quality people to achieve our commitment to our clients.

We are a young and rapidly growing company that has measures in place to see the continued growth of the careers of its team members.

This is an exciting opportunity for electricians who are able to work independently, are good with people and who want to grow with our company!

Please apply to [info@walkerbrotherselectrical.com.au](mailto:info@walkerbrotherselectrical.com.au) with your resume and cover letter explaining why you believe that you can contribute to the team and advancement of Walker Brothers Electricity or apply via our form on our [careers page!](#)
